

Philosophy

The motivating philosophy of the Fairfax Stars basketball program is to provide fundamental skill development instruction for young student-athletes in our community (boys & girls) who have a desire to compete at a high level of basketball competition. Our program and all of our volunteer coaches are committed to providing an opportunity for players to expand both their knowledge...and their love...for the game of basketball...in an environment that teaches about respect, teamwork, sportsmanship, commitment, and hard work. The objective is to "strive for excellence...both on and off the court"!

Fairfax Stars Continues NIKE Affiliate Partnership! One of Only 24 Programs Nationally!

The Fairfax Stars are honored and continue to express gratitude for the 7th year of their extraordinary affiliate partnership with NIKE, and are excited about the growing relationship in year seven and beyond of this prestigious affiliation. NIKE has affiliate relationships with only 20-24 other AAU basketball programs throughout the United States.

The Fairfax Stars are very proud to be one of the top 24 programs in America to be invited to participate in the exclusive Nike Nationals Invitational elite tournament in July. In 2006 the Stars advanced to the final of the Silver Division. In 2007, the Stars again advanced to the Silver Division championship bracket. In 2008, the team did not advance, however, remained extremely competitive and received much attention from college coaches as they demonstrated their talent and skill. In 2009, the Stars advanced to the Final Four of the tournament, falling in the Gold Bracket Championship semifinals, and Myisha Goodwin was named to the All Tournament 1st Team.

Many have identified Nike Nationals as "THE" tournament of the summer for women's basketball, with the best teams and All-Americans galore gathering to compete against the best. The Fairfax Stars are extremely proud to be among those, and what a wonderful opportunity for Fairfax Stars student-athletes.

"We are very proud that NIKE has recognized and acknowledged the quality and dedication of the players, coaches and the administration of the Fairfax Stars AAU basketball organization and our sustained commitment to skill development as a fundamental foundation of this program's philosophy." stated Fairfax Stars Founder and Executive Director Aggie McCormick-Dix.

The Fairfax Stars organization is realizing a dream of providing enormous opportunities for the youth of our community, and in doing so, also teaching about character and citizenship which is all a part of the vision..."striving for excellence...on and off the court!"

--Aggie McCormick-Dix

The Fairfax Stars organization is proud to be recognized as one of the premier basketball programs in America and incredibly proud of all of the student-athletes that participate. The success of any season is not determined by wins and losses, rather by the improvement of the players in their skills, self-confidence, knowledge, and love for the game of basketball. As evidenced in the number of student-athletes that have gone on to realize their academic goals through athletic scholarships – we congratulate the success of our **STARS!!!!**

Hall of Fame

The Board of Directors decided in 2005 that it was important to recognize outstanding achievements of players, coaches, volunteers, and long-time members of the Board of Directors for their contributions to the Fairfax Stars. Each year, a nominations committee considers candidates and makes a recommendation to the Board of Directors. A spectacular induction ceremony with a special guest speaker and an emotional tribute to the inductees is a celebration at the annual Fairfax Stars Hall of Fame banquet.
