## **Travel Elite Basketball Program**

**Nationally Recognized Elite Basketball for Boys & Girls**

“Striving for excellence...on and off the court!”

The Fairfax Stars Travel Elite basketball program includes teams for girls and boys from ages 8-18. Each season teams are selected based on an open tryout, therefore all potential candidates are invited. The foundation of the program is a commitment to teaching fundamental basketball skill development and knowledge of the game. With a talented, experienced, and dedicated roster of volunteer coaches, the Fairfax Stars will enhance your basketball experience and love for the game in an environment of positive reinforcement and fun.

### **Philosophy**

The motivating philosophy of the Fairfax Stars basketball program is to provide fundamental skill development instruction for young student-athletes in our community (boys & girls) who have a desire to compete at a high level of basketball competition. Our program and all of our volunteer coaches are committed to providing an opportunity for players to expand both their knowledge...and their love...for the game of basketball...in an environment that teaches about respect, teamwork, sportsmanship, commitment, and hard work. The objective is to “strive for excellence...both on and off the court”!

### **Fairfax Stars Continues NIKE Affiliate Partnership! One of Only 24 Programs Nationally!**

The Fairfax Stars are well into the 8<sup>th</sup> year of their extraordinary affiliate partnership with NIKE and are excited about the growing relationship in year eight of this prestigious affiliation. NIKE has affiliate relationships with only 20-24 basketball programs throughout the United States and the Fairfax Stars basketball program is proud to be among the organizations selected for this prestigious collaboration. The Fairfax Stars are very proud to be one of the top 24 programs in America to be invited to participate in the exclusive NIKE Nationals Invitational elite tournament in July for the most outstanding women's basketball teams in the United States. In the summer of 2011, the Stars advanced to the championship game of the Gold Division, playing in front of hundreds of college coaches.

“We are very proud that NIKE has recognized and acknowledged the quality and dedication of the players, coaches and the administration of the Fairfax Stars basketball organization and our sustained commitment to skill development as a fundamental foundation of this program’s philosophy” stated Fairfax Stars Founder and Executive Director Aggie McCormick-Dix. “This affiliate partnership will provide additional opportunities for Stars players to pursue their dream of playing college basketball if that is one of their goals” added McCormick-Dix.
